CIRCULAR

Dear Parent (s),

As per Delhi School Education Act and Rules 1973, School Managing Committee is empowered to decide the school fees for each academic session and is required to intimate the Directorate of Education of the same before commencement of the next academic session i.e. by 31st March and the school will not charge more fee than that specified by the school to Directorate of Education during the session in which it is applicable.

This year the managing committee resolved to raise the tuition fee by 10%, after taking the approval of all its members inclusive of the nominees and advisory board members of Directorate of Education as required. The fee increase is justified and made only after proper consideration of all facts and figures.

The fee matter is however subjudice in the courts. The decision of the court shall be binding on the Directorate of Education as well as on schools. We shall abide by the final decision so ordered by the courts.

In the meanwhile if any parent wishes to deposit the fee as per the fee structure of the previous session, i.e. 2015 - 16 he / she may do so.

The bills have already been issued as per the proposed fee structure for the session 2016 - 17 and in case you have already deposited the same amount for the first quarter, it is stated that if the proposed fee structure does not get accepted your excess amount (if any) will be adjusted in the next quarter.

And in case parents who wish to deposit fees as per the fee structure of the previous session i.e. 2015 - 16 they may do so but will have to deposit arrears of fee for the first quarter alongwith next quarter fees as per the Hon'ble High Court's decision.

This circular is not applicable for students admitted under EWS/ DG category.
