### MEASELES/ RUBELLA VACCINATION

India has resolved to eliminate Measles and control Rubella/ Congenital Rubella Syndrome(CRS) by 2020. In consonance with this the Ministry of Health and Family welfare (M/o H & FW) would administer MR vaccine to all children in age group of 9 months to 15 years regardless of their previous vaccination status.

You are being informed that as per the guidelines of the ministry all the children from Pre-School to Class X will be administered compulsory dose of MR Vaccines in the school. Kindly ensure that your ward comes to school after having proper breakfast on the date of vaccination that would be informed soon.
