Assessment in the Primary Years Programme (PYP) is student-centered and designed to support learning while reflecting the philosophy of the International Baccalaureate (IB). It is inquiry-based and reflective, focusing on the holistic development of the child.

Class I-V

Ongoing assessments are incorporated into daily learning process, including teacher observation, portfolios, rubrics, peer assessments, self-assessments, and anecdotal records.

The academic year is divided into two semesters. At the end of the each semester, students demonstrate their understanding of the central idea and key concepts through pen-and-paper tests.

Pre School-Pre Primary

Children are assessed regularly throughout the year based on their daily work, participation, and overall conduct.

Reporting and Communication

- **Parent–Teacher Meetings:** Conducted regularly to discuss student progress and learning Progress and their learning strategies.
- **Student–Led Conferences:** Held to encourage students to take ownership of their learning by sharing their progress with parents.
- **Written Reports:** Provided to offer a comprehensive overview of each student's achievements, challenges, and areas of growth

PYP Exhibition

In the final year of PYP, the students Participate in PYP Exhibition, a culminating project that demonstrates their learning journey. This project involves research, collaboration, and presentation on a chosen topic, interacting the transdisciplinary themes and IB Learner Profile attributes.

Note

- The students who indulge in cheating, or adoption of unfair means in any examination will be awarded 'zero' and their paper will be cancelled.
